TÜV AUSTRIA BELGIUM NV – Cyber Security Project Leader

What will you do?

The role

We are looking for an experienced Cybersecurity Project Leader to manage the successful delivery of national and international projects. In this diverse role, you will ensure that our top-tier cybersecurity services are delivered on time and to the highest standards. You will collaborate closely with clients and teams to turn challenges into success stories.

Key responsibilities

- **Project Management:** Lead and manage cybersecurity projects from initiation to completion, both nationally and internationally.
- **Coordination:** Collaborate with cross-functional teams to complete projects within scope, budget, and deadlines.
- **Client Liaison:** Serve as the main point of contact for clients, providing regular updates and resolving issues.
- **Quality Assurance:** Ensure all projects comply with industry standards and regulatory requirements.
- **Strategic Insights:** Analyze market trends and provide valuable feedback for service improvements and future development.

Who are you?

- At least 3 years of experience in project management, within a digital landscape, preferably in the cyber security field.
- Proven ability to manage complex projects involving cross-functional and remote teams.
- Exceptional organizational and leadership skills with attention to detail.
- Fluency in English and Dutch; French is a plus.
- Willingness to travel within Belgium, the Netherlands, and internationally.

Why join us?

- **At the forefront of innovation:** we have developed our own innovation platform, Innovativ, where you can submit ideas, participate in challenges and collaborate with colleagues from over the globe to drive continuous improvements. Intrapreneurship is highly encouraged!
- **Think global, act local:** we combine global expertise with local insights to deliver solutions that are both innovative and relevant. You will be part of a global network, yet your work will directly impact the local

communities and industries we serve.

- **Sustainability is deeply rooted in every aspect of our company:** Your work will help companies reduce their ecological footprint and comply with important environmental standards and regulations.
- **Our people, our most valued resource:** as a people business, our success is built on the skills, dedication and innovation of our colleagues. We invest in our team because we understand that they are our greatest assets. Your growth, safety and wellbeing are our priority.
